RE: Placement of underground electric line across Wilde Rd.

Please accept this letter as notice of Concho Valley Electric Cooperative's intent to place underground electric line across the Right-of-Way of Wilde Rd .

There will be approximately 50 ft of underground electric line buried across Wilde Rd going east to a new irrigation pivot location.

I thank you for the courts cooperation and consideration on matters such as these. Please call if there are any problems.

Sincerely,

Doug Clark
